

Welcome to Bible Story Basics!

I am happy to announce that we will restart our children's Sunday School program on Sunday, September 5th at 9 AM. Children ages 4 through 11 are invited to join us.

Bible Story Basics is a comprehensive Bible study built to help children understand the overarching story of God's Word while nurturing and growing their faith without a lot of complicated extras.

This year we will journey together to discover tools for reading and learning the Bible. Your children will hear foundational Bible stories, memorize key verses, and internalize God's Word while having fun with music, games, puzzles, prayer, and more. We invite your children to experience the depths of God's love expressed in the stories of the Bible.

Children are the key to the FUTURE growth of our church. Please consider spending some time with these awesome kids as they grow in their faith. I will be the teacher every Sunday, but I need an extra set of hands to help provide the best experience for these children. Will you commit to ONE Sunday? I may be reached at 384-6158.
